These Exceptions must be noted on a separate sheet that specifically identify the Part, Section, Item Number, Description, optional colors and Size (s).

Part 1 Section 2: Item # 2, #3: Has optional ½" and 1" leg strips. Use Appendix C (attached) for pricing of these options.

<u>Part 1 Section 8 and Part 1 Section 9: Patches:</u> Vendors may elect to submit prices for shirts without any patches for consideration. These exceptions must be noted on a separate sheet that specifically identify the Part, Section, Item Number, Description, and Size (s).

Part 1 Section 9: In the RFP the item numbers did not match up with the Excel spreadsheet. **Appendix D** (attached) replaces this section in the RFP. Excel spreadsheet is correct.

Embroidery: In an attempt to ensure quality, any vendor who submits a bid for embroidered items and or services must submit a sample with stitch count.

Badges, Patches and Insignias: Samples must denote stitch count on each to ensure quality of product awarded is maintained throughout the contract.
